Sometimes to find heaven, you have to go through hell...

Sarah appears to have the perfect life—she's made sure of it. But behind the façade, her respected lawyer husband abuses her, she hates writing the books that have made her a success, and she is tortured by demons from her childhood. When she receives a cancer diagnosis, her carefully constructed lies begin to crumble.

Then she has a chance encounter with Steve, a compassionate humanitarian who is everything she's never known—selfless, honourable, and supportive. But even though he keeps showing up right when she needs him, she couldn't possibly deserve the undemanding love he offers. Besides, a good-looking single guy like him must be hiding something, just like everyone else.

Can Sarah be saved, or is it too late for her to find heaven?

Finding Heaven is a standalone gripping emotional page-turner about second chances and redemptive love.
